Buck's Bar, a popular spot for chicken lovers in the city center, has opened a new location in Merchant City.

This restaurant offers a wide variety of chicken dishes, including wings, burgers, waffles, and buttermilk fried chicken tenders.

## **3. Singl-end Merchant City**

Singl-end is a popular spot in Merchant City for breakfast, lunch, and snacks. It's a cozy place where you can bring your dog and enjoy a delicious meal.

They have all the usual breakfast favorites like pancakes and eggs, but they also offer unique options like Korean BBQ chicken wraps and baked eggs. If you're vegetarian or vegan, there are plenty of tasty choices for you too.

After your meal, be sure to try one of their homemade cakes. They're perfect with a cup of coffee.

## **4. Glaschu**

Glaschu is a hip Scottish restaurant and bar in the middle of Glasgow. It's famous for its delicious food, fancy drinks, and beautiful presentation.

If you love brunch, you'll love Glaschu. They have a special brunch menu on Saturdays and Sundays with lots of yummy dishes like eggs royale and beef brisket crumpets.

Or, you can try their Sunday roast, which is a big, hearty meal. They also have a Market Menu with three courses for just £30. It features the best fresh food from the local area.

## 5. Mamasan

Mamasan in Glasgow is a must-visit for those craving a taste of Southeast Asia. With bold flavors and high-quality ingredients, their dishes are sure to impress.

Every dish on the menu is made fresh using the best local ingredients. Pair your meal with a refreshing cocktail, a craft beer, or a glass of wine.

From the spicy King Prawn Pad Thai to the rich Massaman Curry, Mamasan offers a variety of delicious options. Get ready for a culinary adventure in one of Glasgow's most stylish restaurants.

## 6. Nonna Said

Nonna Said is a pizzeria that serves up delicious Neapolitan-style pizzas with a unique twist. They've added a touch of hip-hop to their menu, making it a fun and exciting place to eat.

If you're feeling adventurous, try the El Mexicano Loco pizza. It's loaded with spicy jalapenos, crunchy nachos, savory chorizo, creamy avocado, and a zesty chipotle beef chili.

But if you prefer something more classic, Nonna Said also offers pepperoni and margarita pizzas.

Don't forget to order their famous "Suppli alla Carbonara" crispy fried rice balls. They're like Italian arancini, but with a delicious twist of pancetta and black pepper. And if you're a fan of cheesy goodness, the salt and chili macaroni cheese is a must-try!

## 7. Swadish

Now, here's one of the finest Indian cuisines: Swadish. Yes! It's a fantastic Indian restaurant known for its delicious and creative dishes. It's owned and run by a husband and wife team, Ajay and Jas, who are passionate about Indian cooking.

One of the highlights of Swadish is their seafood dishes. The tandoori salmon tikka and Goan

monkfish curry are especially popular and are perfect for anyone who loves fish.

If you're a vegetarian or vegan, you'll be happy to know that Swadish has a full menu of plant-based options. Every dish on the menu is made with care and attention to detail.

Swadish also offers takeaway and home delivery services, so you can enjoy their delicious food from the comfort of your own home.

## **8. Paesano Pizza**

The second last is my best recommendation for real lovers of the pizzas. Paesano Pizza is one of the most popular restaurants with Neapolitan style pizza that has been operating in Glasgow for several years. They always prepare their pizzas in special ovens that take a few minutes to cook the pizzas to the required level of readiness. The crust is very thin and crispy and the taste is out of this world.

Paesano uses only the quality product in its operation, and many of them are sourced from Italy, therefore making it authentic. They also provide a separate part of the menu that contains a new interesting offer of pizzas.

Going to Paesano restaurant is a very good one or to simply say I have eaten is an elegant one. This is because the food offered in the restaurant is delicious while the prices charged are affordable. Their place is situated at Great Western Road and it is particularly favoured by students and groups.

## **9. Cafe Gandolfi**

Lastly, we have Cafe Gandolfi. Essentially, it is not a restaurant; it is a café, but it is a favorite place among the inhabitants who appreciate natural and cooked by hand meals. They cook food with products bought from local farmers and make it tasty and healthy with simple preparation.

Cafe Gandolfi is a perfect place to have the breakfast, lunch or dinner whatever you want is available here. However, I would suggest coming here for breakfast or lunch. Their objective is to give everyone the pleasure of having tasty meals in the company of loved ones.

One of the most interesting dishes that they offer is the spicy nduja lasagne. If you want something less heavy, please turn to smoked halibut.

Vegetarians will enjoy the meals and products like spread on the breads, flatbreads, and other dishes such as heritage carrots with lentil and the mint and hazelnut pesto. These are best to be enjoyed when having a meal alone or with friends and loved ones during a sunny weather.
