

Gumbet is the hottest spot for vacation in Turkey. Also, there are many hotels to stay, it's means it's tough to choose one. There are two big names that are trending now. First is Jasmin Beach Hotel Gumbet and second is Club Shark Hotel Gumbet. Yes!

Now let's talk about the Club Shark Hotel. This guide will give you all the information you might need about this place, including its location, the rooms and many others if you are planning to spend a night here.

So, let's get started!

Location & How to Get There

Club Shark Hotel is situated in Gumbet which is roughly 36 kilometers away from the Milas Airport. This means that you can get there within a short time after your flight. If you have to go to the hotel straight from the airport, a taxi will cost you about 35 to 40 minutes to get to the hotel. This option is attractive because it is quick and simple.

This hotel is situated just 300 meters from the sea coast. This is good because there is no waiting for a cloudy day to go to sun and sand. Picture yourself waking up one morning to view the blue sea from the window of your bedroom. That allows you to have some rest on the beach, sunbathing or swimming in the water. Many flowers surround the hotel area and this makes the place to be very attractive.

Club Shark Hotel Gumbet is in the right place. It is in the middle of Gumbet which is one of the most active places with activities to do. And get to popular sites such as Myndos Gate in the blink of an eye!

The hotel is also within the proximity of other attractions. It is only 300 meters from Pacha, one of the renowned nightclubs, and approximately 2.5 Kilometers from French Tower which is a 13th-century fortification. If you are interested in history, there is the Zeki Muren Arts Museum which is just about 10 minutes by car from here.
